I Can Tell Time

Interactive clock-learning app for students ages 4–8 (Grades K–2) | iPad

WHAT IT DOES

Teaches students to read analog and digital clocks through gamified, Duolingo-style lessons. 16 structured levels progress from full hours through five-minute intervals, with interactive clock manipulation and spaced repetition.

`CC 1.MD.B.3`   `CC 2.MD.C.7`

PRIVACY & COMPLIANCE

🛡 COPPA Compliant   🛡 FERPA Ready

♿ Section 508

- ✓ No accounts, logins, or registration
- ✓ No personal data collection
- ✓ No ads, no social features, no external links
- ✓ All learning data stored locally on device
- ✓ Works fully offline — no network required
- ✓ Full VoiceOver / assistive technology support
- ✓ Analytics disabled via MDM config

VOLUME PRICING

DEVICES	PER DEVICE / YEAR	EXAMPLE TOTAL
1 – 100	**$7.99**	100 devices = $799
101 – 500	**$5.99**	300 devices = $1,797
